DATE: 12/8/2015

SUBJECT: Request approval of Tract 2933, a proposed subdivision resulting in 6 lots by Quality Homes Renovation, Inc., that has been received and has satisfied all the conditions of approval that were established at the public hearing on the tentative map; and reject the offer of dedication for Cayucos and Eddy Streets and public utility easements, in the community of Templeton. District 1.

RECOMMENDATION

It is recommended that the Board:

1. Approve Tract 2933 a proposed subdivision resulting in 6 lots by Quality Homes Renovation, Inc., in the community of Templeton; and
2. Reject the offer of dedication for Cayucos and Eddy Streets and public utility easements, as shown on the map.

DISCUSSION

The subject map has satisfied all the conditions of approval that were established in the public hearing on the tentative map. The map was processed by the County Planning Department with input from County Public Works, Environmental Health and other affected County Departments as well as Templeton Fire, Templeton Community Service District, Templeton Area Advisory Group, California Department of Transportation (Caltrans) and local cities and service districts.

At the January 8, 2009 public hearing, the Planning Commission granted tentative approval to the proposed subdivision. All proposed real property divisions are subject to a number of conditions of approval. The project owner has satisfied their conditions.

The Real Property Division Ordinance (Title 21 of the San Luis Obispo County Code) requires that when the conditions of approval have been met, and when an adequate Final Map that is substantially in conformance with the design of the approved tentative map has been submitted to the County Surveyor, the County Surveyor will transmit the map with his approval and certification to the County Clerk awaiting your Board's approval to record the map. Section 21.06.050 of the County

Code requires your Board to approve the map if it is determined to be in conformity with the Real Property Division Ordinance and the Subdivision Map Act.

It is recommended that the offers of dedication be rejected at this time. A recommendation to accept the offer for public road easements on Eddy and Cayucos Streets will be made to your Board after road improvements are accepted as complete by the Director of Public Works.

OTHER AGENCY INVOLVEMENT/IMPACT

The Clerk is to hold the map until your Board approves it. The Clerk also certifies the Board's approval, arranges receipt of the recording fee and after the signatures and seals have been affixed, transmits the map to the County Recorder. The County Recorder certifies and files the map as prescribed by the Subdivision Map Act.

FINANCIAL CONSIDERATIONS

All costs for examination and certification of the map by the County Surveyor are paid by the project owner(s).

There are no other costs associated with this action.

RESULTS

Approval of the recommended action will allow the subdivision map to be filed in the office of the County Recorder.
